aardappels afgieten, de *to go for a pee* NOTE It literally means "to shake the potatoes dry" and refers to a mans testicles.

achter het raam zitten *to work as a prostitute luring customers from behind an illuminated window* NOTE This expression means literally "to sit behind the window".

afberen † *to masturbate* NOTE This is a mix of two expressions "afrekken" and "masturberen".

aflebben *to kiss intensely in a public place* NOTE Usually used reciprocally (elkaar aflebben). Derived from "lebben" which is a somewhat old-fashioned word meaning "to lick".

afrossen *to thrash* NOTE Used when someone is giving a severe beating. Also "In elkaar slaan" meaning "To beat up".

afrukken † *to toss off* NOTE This word is stronger than "afrekken". The literal sense is "to tear away" or "to rip off".

afrekken *to toss off* NOTE The normal meaning is "to subtract"

afwerkplaats *A public place where street prostitutes have sex with their customers* NOTE The word means literally "finishing place". It is usually a parking lot or a public park. In larger towns in the Netherlands the local council often semi-officially designate an area on the outskirts of the town or near an industrial area where this kind of business is tolerated.

afzeiken *put down* NOTE To shit all over. "Ik voel me afgezeken" meaning "I feel shit on (lit. pissed on)".

afzuigen *to give a blow job* NOTE The word is derived from "zuigen". The prefix "af" carries the idea of "taking something away" like the English "off".

anderhalve man en een paardekop *a very small audience* NOTE This expression means literally "one man and a half and a horse head". It is used to express that a meeting or theatre performance is badly visited.

Anita (noun, fem) *A non-intellectual female person* NOTE Pejorative use of the female first name once popular in Dutch working class. Often used in conjunction with its male equivalent 'Johny'. Example: "Moet je die Anita zien."

asbak (noun, m.) *ass man* NOTE Literally, "ashtray". But, this an archaic slang term (particularly in Zeeland) from World War II, when "as" was rendered as "ass" and "bak" as "back" or (in Dutch) "reet", hence "ass man".

aso *An anti-social person* NOTE A abbreviation of "asociaal" (anti-social).

b

bagger schijten † *to be very afraid* NOTE The literal meaning is "to shit mud."

balen *to be fed up with one's designated task or more generally with the current situation* NOTE This word was originally used by conscripts in the Dutch army, then it became popular with school-children and now it is generally used. "baal" means "bale" or "bag"; perhaps it is a reference to the work of carrying bales?

bedonderen *to deceive* NOTE Derived from donderen (to thunder) because of negative associations.

befborstel, de (noun) *moustache* NOTE refers to the use of a moustache in stimulating the clitoris

beffen *to stimulate the clitoris with the tongue*

boerenpummel, de † *a boor, an uncivilized peasant* NOTE A combination of "boer" (farmer) and "pummel" (boor). The word "boer" (from which the English "boor" was derived) is used to build a number of Dutch words with a negative connotation.

Bokkelul † *Insult: jack ass, scum bucket*

botergeil † *very horny, very lewd* NOTE This word means literally "butter-lewd" and is only used for women. A tentative explanation is that butter (being rather slippery) is associated with the vagina of a sexually aroused woman.

the pipe to Maarten". Perhaps "Maarten" is "Sint Maarten" (Saint Martin) but this does not explain much about the origin of the expression.

de pijp uitgaan † *to die* NOTE This expression means literally "to go out of the pipe".

Perhaps the original expression was "De pijp gaat uit" (The pipe stops burning) or maybe there is some comparison of the soul leaving the body with smoke rising from a pipe?
